Notes:

1. The equipment shown here is for representation only. The drawing shows existing equipment to show interfaces. Representation of equipment on this drawing does not imply scope of supply.
2. Refer to the document A01001045-DLD for detail level description of design.
3. For all WAN/Cloud connections, telecom company MODEMs and routers have been omitted to reduce clutter.
4. For all LAN connections, the quantities and location of the network switches is not shown to reduce clutter.
