1. The Sites and equipment shown is for representation of HLD only. The exact quantities will be determined during detailed design. The drawing shows exist as well as new equipment to show interfaces. Representation of equipment on this drawing does not imply scope of supply.

2. Refer to the document A01001045-HLD for description of design.

3. For all MAN/Cloud connections, telecom company MODEM's and routers have been omitted to reduce clutter.

4. For all LAN connections, the quantities and location of Ethernet switches is not shown to reduce clutter.
